

Learning Gate's After School Art Class 2016/2017

First Session Begins Sept 22

In this class we will explore many different ways to make art, from ceramics to paper making, from sculpture to drawing and everything in between. Each month we will look at a different artist and their work and create our own versions. Every month has a theme, for example September's theme is The Masters. We will look at master artists like Van Gogh, Mondrian, and Picasso then create our own inspired art works. Class is open to students in K-6th grade. Class will meet Thursday at 3:25 and end at 4:40. Each session will be 4 weeks. The first session will run Sept 22 - Oct 13. The fee for the class is \$60 and includes material fee. Registration form is available on Learning Gate's website under school activities. Space will be limited to 16. Please pick up children promptly at the pickup area.
