## PRIMARY READING

**Intended for students entering grades K-3rd.**

**Students will participate in activities and lessons provided by certified teachers. The focus will be on sound, letter, word identification and reading fluency. Inspire students to have a love for reading!**

## MATH

**Intended for students entering grades 3rd - 6th.**

**Students will participate in activities and math lessons provided by a certified teacher. The focus will be on learning multiplying facts, fractions, place value and understanding word problems. Our students will count on a love for math!**
