The Learning Gate App!

Learning Gate Community School is the 1st Public School in Hillsborough County to have it's own interactive mobile app.

Parents, staff, students and community partners use this app on a daily basis to stay connected to our school!

Events, updates, links and more connect our families to Learning Gate.

We currently have over 1300 downloads at this point!

We would love to showcase YOUR business to OUR families!

Sponsors will each have their own customized tab with links, verbiage and even photos/logos. Your tab can also go straight to your website!

All for a little over \$10 a month! Annual fee is only \$150.
